

HEY! Hide the pickle!

Some say it's a tradition born in Germany that is old as TIME ITSELF. HOWEVER, THE INTERNET TELLS ME THAT IS A SURPRISE TO THE GERMANS!!

HIDE THE PICKLE IN THE TREE - GOOD LUCK IS IN STORE FOR THE LUCKY FINDER... MAYBE AN EXTRA PRESENT OR TWO... MAYBE BRAGGING RIGHTS IN THE FAMED PICKLE OLYMPICS!

AS AN ADDED BONUS, YOUR OLDER CHILD WILL LOVE THE PHASE "HIDE THE PICKLE!!!"

x-omg! EASIEST PATTERN EVER!
